HEIDELBERG

LIVE SET AT HALLE02 IN HEIDELBERG

November 15, 2015 – 1 Comment

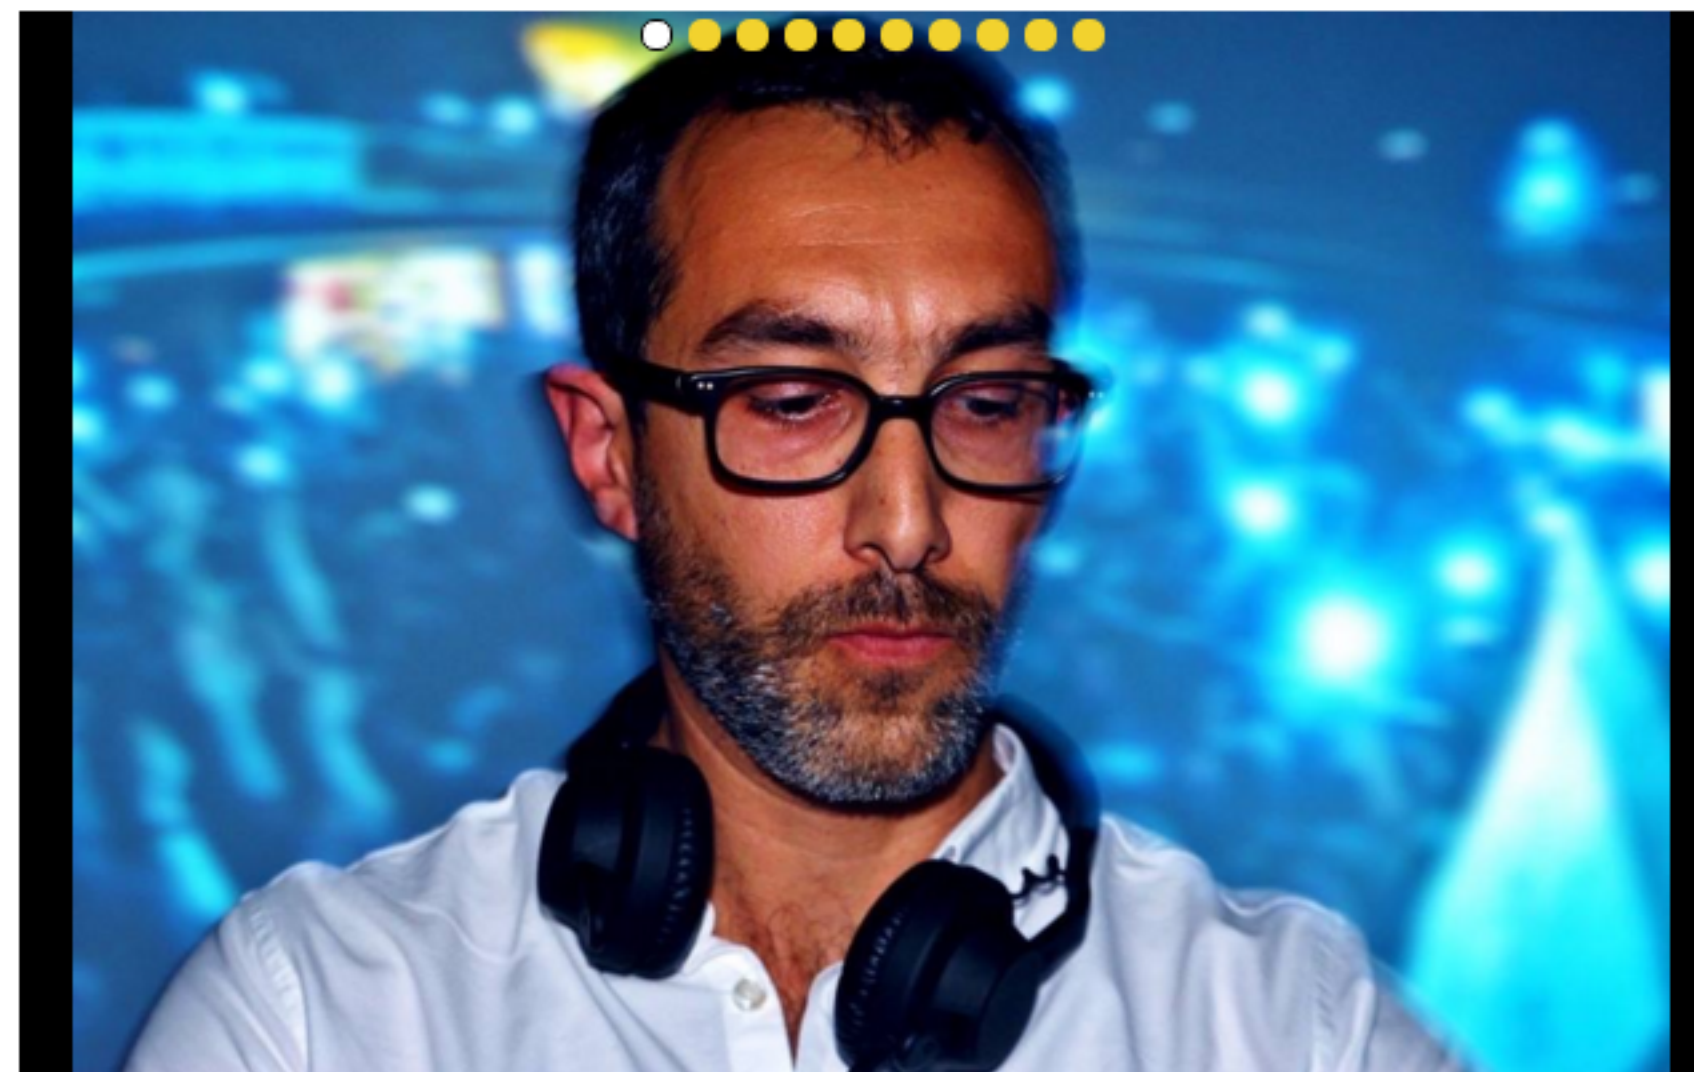

I had the great pleasure and honour to play last Thursday at the Halle02 in Heidelberg for the [Professorennacht](#). The Halle02 is such a nice place to perform! And once again the place was full with more than 500 hysterical students. However, this time, the exercise was peculiar. Battle-style

Sets of ~20mins and highly partisan crowd ;-). Not my usual thing, but I prepared an eclectic, kick-ass and energy packed set. I had great time to play and judged from the crowd reaction, it was a blast!

Below some pictures, as well as the live recording of the set (and the track listing).

Big thanks go in particular to all the friends & students there for their support and making so much noise! Thanks also to ThomMore (Heidelberg) & [CANIGGIA](#) (Berlin) for their great acts and Daniel and Gunnar from [BlackboxEvents](#) for the flawless orga. Finally, I special thanks to Julian Halbeisen a very talented photographer that did a terrific job at covering the event. Get to know him [here](#) and [here](#).
